

My Word!
Dorothy Spines

MAYOR LEWIS and Hazel Howell have welcomed another grandchild. Their daughter, Lynn, and her husband, Carl Gogna, of El Cerrito are the parents of a 10 pound, two ounce baby boy, Anthony Carl, born Dec. 1. The new baby has a five-year-old sister, Tina. Congratulations to all.

ALBANY seems all fresh and new and cool after spending the weekend at Disneyland. We left last Friday afternoon. Oakland was soaked in and our crew was stranded in San Jose. After what seemed a long time, two men in business suits (bankers, maybe?) went into the cockpit and a lone stewardess explained they had been waiting for a crew. The flight to San Jose was a bit nervous, but there a uniformed full crew took over our plane for a beautiful flight to Orange County airport. Coats, needed here, were abandoned and became excess baggage. The weekend was almost too warm for comfort and for the first time, I realized what a difference there is in weather between Northern and Southern California. Saturday was a free day in Disneyland for me and the other four in our family. Sunday we used our Magic Kingdom cards. It was 85 on Sunday... that's hot! Couldn't help thinking of Dec. 9 of any year in Montana. It was a lovely weekend and a great place to visit, but... we'll take Albany!

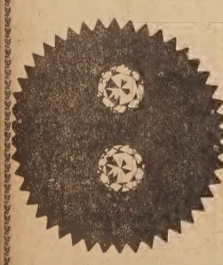

CHRISTMAS is coming and if you want to support a local youth organization, buy your tree from Sea Scout Ship St. Ambrose (Boy Scouts) in the lot at Buchanan and San Pablo (courtesy of Firestone Tire Co.) They have some unmentionable tickets to sell, too.

HANDEL'S "MESSIAH" will be presented by the Berkeley Community Theatre, next Sunday, Dec. 16, at 4 p.m. Four people from Albany are singing in the chorus: Frances Lozier (oldest member of the chorus), Patricia Zita and David and Lynn Posner.

SOROPTIMISTS of Albany are collecting the black "seal of quality" from Viva paper towels for Children's Hospital Medical Center in Oakland. Thirty seals equal one wagon. President Grace Dinsdale at Albany High school will welcome your contributions (so will those of us at Children's!).

'Better Parkland' Group Elects Officers—Sets Policy

At a meeting held December 6, approximately 40 Albany residents, members of the group, Citizens for Better Parkland, elected officers and determined what the function and policies of their organization would be.

The group, whose primary concern is the Albany Hill parkland issue, elected Louis Bell as permanent chairman, Mrs. Ann Berry as secretary, and Mr. Bruce Thompson as treasurer. An executive committee which will coordinate the groups activities was also elected during the Thursday night meeting.

In a major policy decision the members unanimously voted to bar the organization from en-

dorsing or campaigning for individuals seeking public office. Chairman Louis Bell, in citing reasons for not engaging in political campaigns said it would be difficult for a group this size to agree on two candidates. He also noted that, although the stated purpose of the group is to challenge the methods of acquisition and suitability as parkland of the 1.1 acre of Albany Hill property, should the group engage in political activity, a charge could be made that the function of the organization is "incidental to political purposes."

In other areas of discussion the group reaffirmed its inten-

tion to seek what it terms more desirable Albany Hill parkland, namely two to three acres on top of the Hill owned by Golden Gate Hill Development Corp. Contending that the 1.1 acre which was purchased by I.G.C. and donated to the city is worthless without the additional hilltop acreage, the committee agreed to ask the city council to seek ways of including the Golden Gate Hill property in the proposed Hill parkland.

The Committee for Better Parkland endorsed the proposal to give financial support and other assistance to individuals who wish to take legal action to test the validity of the Albany Hill land transaction between Mr. Call and Interstate General Corp. Mr. Jerry Leahy, chairman of the newly formed litigation sub-committee, stated that individual members will proceed with plans for a civil lawsuit to test the legality of the land deal and that their immediate concern is gathering further legal opinions regarding the planned suit.

Children's Books Speech Topic at Albany Preschool

This evening the Albany Preschool is holding the third in a series of parent education programs. The topic is "Children's Books" and the speaker will be educator Betty Halpern. The program will start at 8 p.m. at the Preschool, 850 Masonic Avenue.

The Albany Preschool is a parent - cooperative nursery school which is sponsored by the city of Albany. The morning session from 9 to 11:45 a.m. is designed for younger children. The afternoon session from 1 to 3:45 p.m. is open to children entering kindergarten in the fall of 1974. The director, Bobbie Steinhart, and assistant director, Marilyn Rie, are present at both morning and afternoon sessions.

The school offers various activities including arts and crafts, music, science and nature activities, cooking field trips, and playground activities. Parent requirements include participation at the school approximately one session a week, plus approximately two evening meetings each month. The monthly fee is \$15. These are openings in both morning and afternoon sessions; contact Betty Mowers at 526-0762 for more information.

'Snow White' Presented By Civic Theater

"Snow White and the Seven Dwarfs: An Original Adaptation" will be presented by "The Entertainers," Contra Costa Civic Theater's teenage drama company, on Friday, December 14, and Saturday, December 15 at 8 p.m.

The show is based on the classic Grimm fairy tale. It includes a cast and crew of 35 teenagers from local cities who designed the sets, run the lights and sound, manage the house, and perform in the play. It is an all-teenage show.

Reservations are not required for "Snow White."

Warning Issued By Fire Dept.

The Albany Fire Prevention Bureau is alerting local citizens to the hazards of storing extra gasoline in their homes and automobiles due to the energy shortage our country is facing.

Section 147. (a) in part of our Fire Code states: "No person shall store above ground more than one gallon of Class "1" liquids except as otherwise specified in this code. Gasoline is a class 1 liquid which means in effect, that in no dwelling shall there be stored more than one gallon of gasoline, and further that it should be stored in an approved metal container. Anything in excess of one gallon is a violation of this Fire Code. It should be noted that the explosive power of one gallon of gasoline has been compared to that of 14 sticks of dynamite. Fuel and its vapors are soon parted and even a safety valve is powerless to prevent a fire once gasoline vapors have escaped through a relief vent and an ignition source is present.

In a controlled demonstration, two safety experts placed a safety can full of gasoline in the trunk of an automobile, left the engine running and moved to a safe distance to wait and observe. Within twenty minutes the entire back end of the car was blown off in an explosion. The two experts reasoned that as the car became warmer the gas expanded and generated enough pressure to force vapors out of the vented cap. In the closed car trunk these vapors soon reached explosive proportions and only needed an ignition source to set off an explosion. This could also happen in a person's home or garage, which could turn a minor fire into a major loss of life and property.

Should any citizen of our city have any question concerning their safety regarding any aspect of the energy shortage please call the fire prevention bureau at 525-7141.

The U.S. Consumer Product Safety Commission recently warned hoarding of fuel can create serious household hazards because of improper storage and misuse of gasoline. According to the commission an estimated 25,000 persons sought emergency room treatment last year for injuries associated with liquid fuels, including gasoline, kerosene, lighter fluid and charcoal starter. More than half were related to gasoline.

Annual Party For Soroptimist Club

Albany Soroptimists will hold their annual Christmas Party at the home of Club member Dorothy Irvin, MacGregor School principal, on Wednesday evening, December 19.

This year, instead of exchanging gifts, members will donate the gift money towards the Christmas baskets to be delivered to needy Albany families by the Albany Park and Recreation Department.

NOTICE

The Albany City Council will hold a continued public hearing on the Open Space Element Plan, on Monday, December 17, 1973, at 8 p.m. in the Council Chambers, 1000 San Pablo Avenue, Albany.

The Open Space Element of the General Plan is available for preview in the office of the City Engineer and the Library.

Councilmen Are Told They're Underpaid

Patrick Griffin, speaking under Good of the City at the Monday night session of the Albany City Council, told Councilmen they are underpaid at the rate of \$5 per meeting and suggested a raise in salary might be part of a City Charter revision measure on the April ballot.

Mayor Lewis Howell told the young man that the Council had no plans for asking for revisions of the City Charter in April, but it was obvious that councilmen enjoyed hearing his opinion.

In a half-hour session, which was adjourned in memory of Stanley Wilkins, who died recently at the age of 86, Council accepted the recommendation of Police Chief James R. Simmons, awarding the bid for three new patrol cars to H. L. Moore Chrysler-Plymouth, and denied a claim against the city filed by Timothy and Sandra Sampson of Richmond, referring it to the insurance carrier and City Attorney Lawrence Salar.

A request for an entertainment permit at the Bacchanal Bar at 1369 Solano Ave., was referred to Chief Simmons for recommendation. John B. Eng-

berg's request for a donation to AMVETS to raise money for "Operation Sleighride" was referred to the budget committee. Because the request was not clear and covered two items, Council reported there are procedures to follow to obtain a permit to solicit funds, if that was part of the request.

Later Griffin questioned Council as to what protection citizens have against in-person and telephone solicitations. It was determined that little can be done about telephone calls, but there are permits for door-to-door solicitations and lists of those issued will be made available to Albany Police Department. Anyone questioning the legality of a door-to-door solicitor may call the police to see if he or she holds a City of Albany permit.

Two letters were filed. The first, written by Dario Meniketti, was a tribute to Mr. Wilkins. The second, written by Ann Berry, requested that a detailed presentation of the background of the parkland be made at Open Space Public Hearing slated for next Monday night together with people involved in the decision-making.

Councilman George Hein said it may not be possible to go "all the way" back, but that representatives will attend to answer questions.

Meniketti called attention to a traffic hazard at Talbot and Solano, where earlier that evening he had directed traffic for 15 minutes after a flasher had been run over by an auto and become entangled under the car. Mayor Lewis Howell told him that flashers had not been necessary until school children had to go home after dark. The mayor said it was fortunate in this case that a flasher had been run over and not a child.

Council voted 5-0 to support the Contra Costa County Local Agency Formation commission relative to boundaries and spheres of influence in Contra Costa County. Councilman Joe Carlevaro noted that he had brought up the matter earlier in relationship to the City of El Cerrito.

Council approved final payment to Ransome company for resurfacing of Marin Avenue and other city streets. Payment of \$7,962.23 amounted to 10 percent of the contract cost.

Capt. Gonzalves Warns Of Xmas Tree Hazards

Captain Ray Gonzalves of the Albany Fire Prevention Bureau is issuing the following safety hints for a safe Christmas.

THE CHRISTMAS TREE:

1. Be sure to obtain a fresh tree a few days before Christmas. Test it to see if the needles may be dried out and already falling. Cut the trunk diagonally—a little above the original cut. Keep the tree in water or wet dirt or sand until used. Use a stand that contains water, and keep it filled.

2. Make sure the tree is not located near a fireplace, radiator, stove, television set, or any other source of heat. Never block any exits by placing a tree in the line of traffic. Remember these same rules if you assist in decorating a church, school or assembly room.

3. Use only lights and wiring with the Underwriters' Laboratories label. Make sure that extension cords, if used, do not present a tripping hazard. Never overload circuits by having too many plugs in one outlet. Check lighting sets from previous years for frayed wires, loose connections, and broken sockets.

4. Many tragic fires start when there is no one at home or when the family is in bed. For this reason, do not leave the lights burning for too long a period of time, and always turn them off when you retire for the night.

5. Candles should never be used on your tree. Angel hair and snow spray can be flammable if they are used together in decorations. You may use one on a tree, but never both.

Electric lights should not be used on metal trees because of the danger of electrocution.

6. Glass, metal, or non-combustible materials are safest for decorations. If you use cotton batting, or a sheet under the tree, or paper and cloth for costumes of children, treat them to make them fire resistant. Mix a solution of nine ounces of borax, and four ounces of boric acid powder in one gallon of water. Dip the fabric in solution. Wring by hand, and hang to dry.

7. It is possible to purchase commercial sprays which will make your tree more fire resistant. It is important that only chemicals approved by the State Fire Marshal's Office be purchased and used. To secure the names of these products contact your local fire department.

8. Don't smoke near the tree, and be sure those cigarette butts are disposed of safely.

9. Take the tree down when needles start to fall. A dry tree can burn in less than 27 seconds.

10. Many of these suggestions apply to the use of greenery in decorating mantels, buffet tops or tables. If greenery is to be used safely, it should never be placed near hot objects or used with candles. In the midst of entertaining, a lighted candle, forgotten by excitement and haste, can quickly ignite your beautiful centerpiece. Use hurricane lamps over your candles as a simple, effective safety measure.

Red Cross Drive For Christmas Toys

Red Cross Youth volunteers are collecting Christmas Toys for disadvantaged children in Berkeley and Albany through December 17.

High school and junior high school volunteers in charge of the toy drive are asking for new and good used toys that can be put in "mint condition" with a little paint or minor repairs. Dolls, wheel toys, games, books, and stuffed animals are popular gift items, according to Pat Hritz, who heads the toy drive at Albany High School.

Toys may be brought to collection points through December 17. These include all Albany and Berkeley schools; the Claude Daughtry realty office, 1795 Solano Avenue; the Berkeley Red Cross, 2116 Allston Way, Berkeley; and Newman Hall, 2700 Dwight Way, Berkeley.

LIVE WIRES

The seventh annual Christmas Party of the Live Wires will be held Friday, December 14 at 7:30 p.m. at the Albany Senior Center. Everyone should bring food and a gift. Santa Claus will be on hand to distribute gifts.

The Rose Parade tour is Sunday, December 30 at 7:45 a.m.

MYRLE W. WELLS

Mr. Myrle W. Wells, a former long-time resident of Albany, and a more recent resident of Napa, passed away in a Vallejo hospital on December 10th. Mr. Wells owned and operated a shoe repair shop at 1226 Solano Avenue for many years. He was a native of Gilmore City, Iowa, aged 69 years. His survivors include his children, Dona Silvestro of Santa Rosa, Mr. and Mrs. Ham of Berkeley, Betty Rinaldi

of Davis and Janice Sattler of Richmond; brothers and sisters Eunice Ricklefs of Iowa, Everett Wells of Alaska, Dorothy Muzzy and Lawrence Wells, both of Napa, and Loretta Worcester of Iowa; 11 grandchildren and one great grandchild. He was a member of Calvary Baptist Church of Napa, and Foster Grandparents Program, Affili-

ation of Napa State Hospital. Funeral services will be held Wednesday, December 12th, at 1:30 p.m., at the Ellis-Olson Mortuary, conducted by Rev. William Oeland of Gracemont Baptist Church, Albany.

This Wednesday Mr. Wells was to have received an award from Nancy Reagan for his work in foster grandparents.

WHOOPEE! The Raiders won again on Sunday. George Atkinson was instrumental in the tromping of the Kansas City Chiefs 37-7. A week ago, George left the plane which brought him home from a Texas victory and came directly to Children's hospital to pay a deathbed visit to Warren Richardson, 15, of Richmond. Next day, he came back with four of his teammates, but Warren was too sick to really appreciate it. The boy died that night. Only really big people do little things like that for people and, in my estimation, the Raiders are all 10 feet tall!

tion. At season's end in late January, if the weather cooperates, the winner of the Second Division will be promoted to First Division. If Albany is successful this year, Cougar Field will be home field for two First Division clubs: Albany; and current First Division contender El Cerrito.

In First Division play, undefeated and once tied El Cerrito's game was cancelled due to a wet field. Arch-rival Tri Valley of Pleasanton had to settle for a tie, their second of the half-completed season, with Amatlan of Oakland.

Soccer teams meet each Sunday on Cougar Field and they invite all interested persons to come watch them in action.

Albany Soccer Club Wins Game

Albany's potent soccer club put on one of its best efforts to date in defeating rival Richmond International Chimu at Richmond 7-1 on Sunday, December 2. The team held Chimu's offense in check, while Roberto Lopez and Jesus "Chara" Espinoza scored three goals each for Albany.

With a well-balanced and experienced team, Albany continues to lead the East Bay Soccer League's Second Division.

Soccer Wins By Local Teams

It was another big day for Albany and El Cerrito in East Bay Soccer League action as Albany easily downed an undermanned C.I.P. team, 7-0, to maintain second division leadership, while El Cerrito struggled a bit only to break loose for a 3-0 win over visiting Union City, and continue their race to catch up with TriValley and the first division top slot.

The TriValley win kept them on top of the league's first division, as they have two more games under their belt than El Cerrito, but two ties to El Cerrito's one. These two rivals will meet at Cougar Field on January 27.

NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the State Highway Engineer, Room 6101, Transportation Building, 1120 N Street, Sacramento, California, until 2 o'clock p.m. on December 19, 1973, at which time they will be publicly opened and read in the Assembly Room of said building, for construction on State highway in accordance with the specifications therefor, to which special reference is made, as follows:

Alameda County, in Berkeley and Albany, from 0.2-mile south of University Avenue Overcrossing to 0.3-mile north of Route 17 (portions) (04-Ala-80-5.6/7.6), manual irrigation system to be installed.

Bids are to be submitted for the entire work described herein.

Plans, specifications, and proposal forms for bidding this project can only be obtained at the office of the State Highway Engineer, Transportation Building, Sacramento, California, and may be seen at the offices of the State Highway Engineer at Sacramento, and the District Directors of Transportation at Los Angeles, San Francisco, and the district in which the work is situated.

The successful bidder shall furnish a payment bond and a performance bond.

Pursuant to Section 1770 of the Labor Code, the Department has ascertained the general prevailing rate of wages in the county in which the work is to be done, to be listed in the Department of Transportation publication entitled Equipment Rental Rates and General Prevailing Wage Rates, dated November, 1973.

Dated November 19, 1973.
